

Invitation

Under the Auspices of his excellence
Prof. Hassan Nadir Kheirallah
President of Alexandria University

HYRESS Project in cooperation with the Renewable Energy Center (REC) at AU and Renewable Energy Society (RES) invite you to attend the workshop in Hybrid Renewable Energy Systems

Location: Hilton Green Plaza Hotel, Alexandria – Egypt
AU & CP

The purpose of the workshop is the dissemination of the activities of HYRESS project. The workshop will address the development of hybrid renewable energy center for remote desert settlements. The developed systems in Egypt, Morocco and Tunisia will be presented. The experience gained by HYRESS team will be disseminated during the workshop

Stakeholders, students, university professors, policy makers as well as RE & water desalination companies will attend the workshop.

A visit to the Egyptian HYRESS site at Wadi El-Natroon will take place in the second day.
